# WMO RA / Regional Sessions

## New Format RA Sessions

- RA sessions to have a stronger regional policy and political footprint;
- 3 to 4 days with 1 / 1.5 days devoted to RA business;
- **2 Days in HL Conference Format with the regional partners;**
- **Engage regional economic and political organs, regional development partners and donors in the High Level Conference;**
- increase the visibility of the WMO, the RAs and the NMHS and their work in **contributing to Agenda 2030, Paris Agreement and the Sustainable Development Goals;**
- A key foundation for the HLC could be the release of the **Regional Climate Report** as the main drawcard to attract regional partner participation.
